ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Housing Authority of the City of Bedford is progressing in accordance with the original 2000 Agency Plan. The Capital Funds that have been received are totally obligated and expended through 2003. Due to the needs necessary to keep the facility in good repair it was necessary to borrow against the future 2003 capital fund for improvements in 2002.

BHA strives every day to meet its goals, objectives, and mission statement that were developed in the submission of its' first Agency Plan in 2000. We will continue to operate the programs of BHA in an efficient, cost-effective manner and explore the options authorized by the QHWRA. These options will be used primarily as methods to increase the assistance we can give to and be able to supply affordable housing for very low-income, low income, elderly and disabled families.

The documents, as well as the Agency Plan 2000 and its update were made available for public review and/or comment of January 20,2003
